Re: Targhee National Forest, Draft Environmental Impact
Statement and Forest Plan Revision

Dear Ms. Cushing:

The U.S. Environmental Protection Agency (EPA) has received the Targhee National Forest Draft Environmental Impact Statement (EIS) and Forest Plan Revision for review in accordance with our responsibilities under the National Environmental Policy Act and under Section 309 of the Clean Air Act.

EPA Region 10 has used a screening tool to conduct a limited review of the draft supplemental EIS evaluating management strategies for the Targhee National Forest. Based upon the screen, we do not foresee having any environmental objections to the proposed project. Therefore, we will not be conducting a detailed review of the draft EIS.

If you have any questions, please contact me in Seattle at 206/553-1984.

Sincerely,

for Richard B. Parkin, Manager
Geographic Implementation Unit
